**NORTH LAMBTON
SECONDARY SCHOOL
FOREST, ONTARIO**

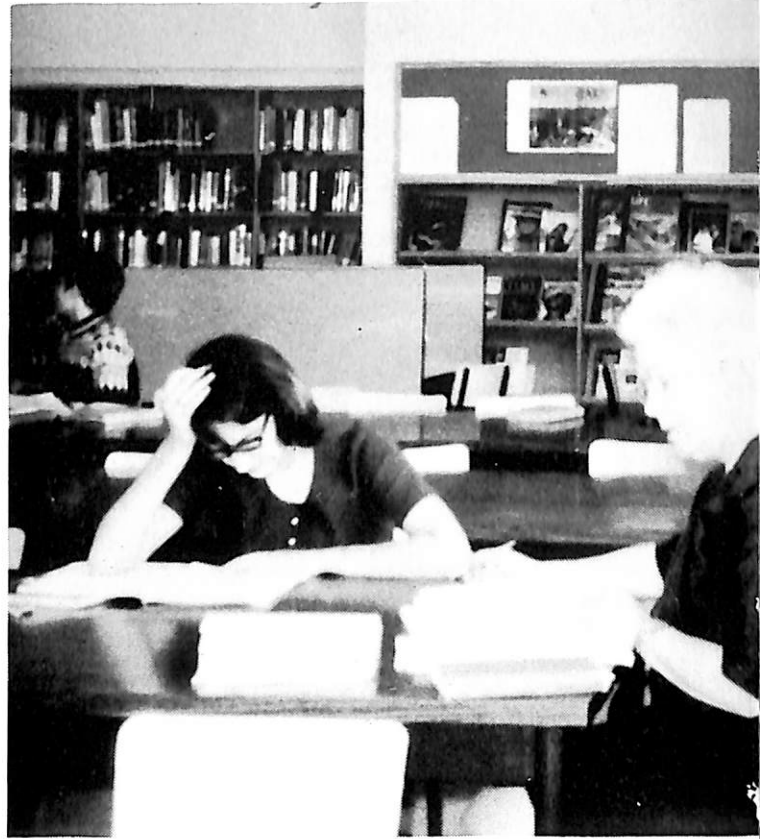

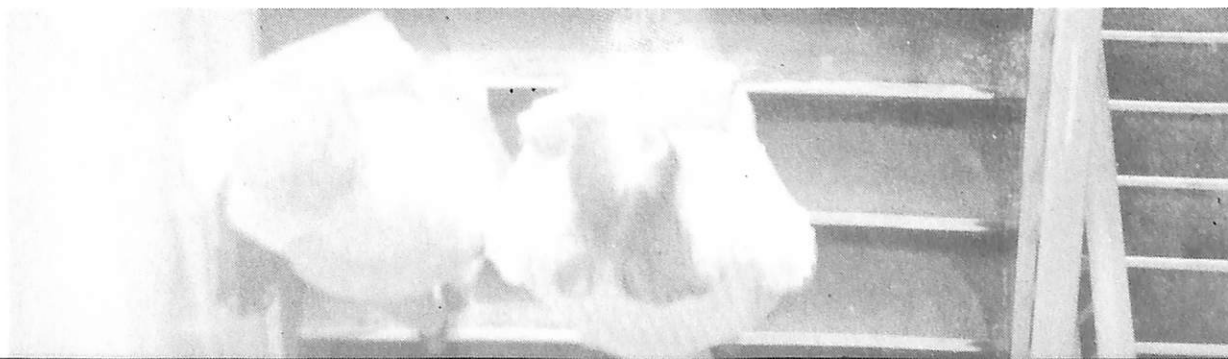

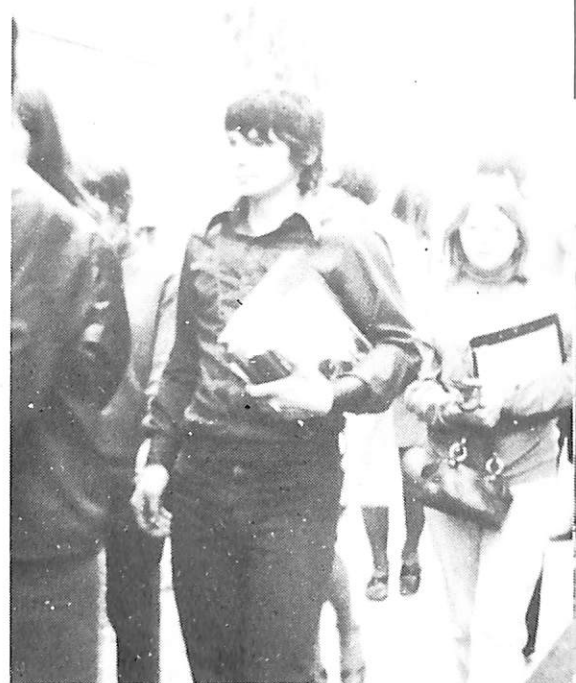

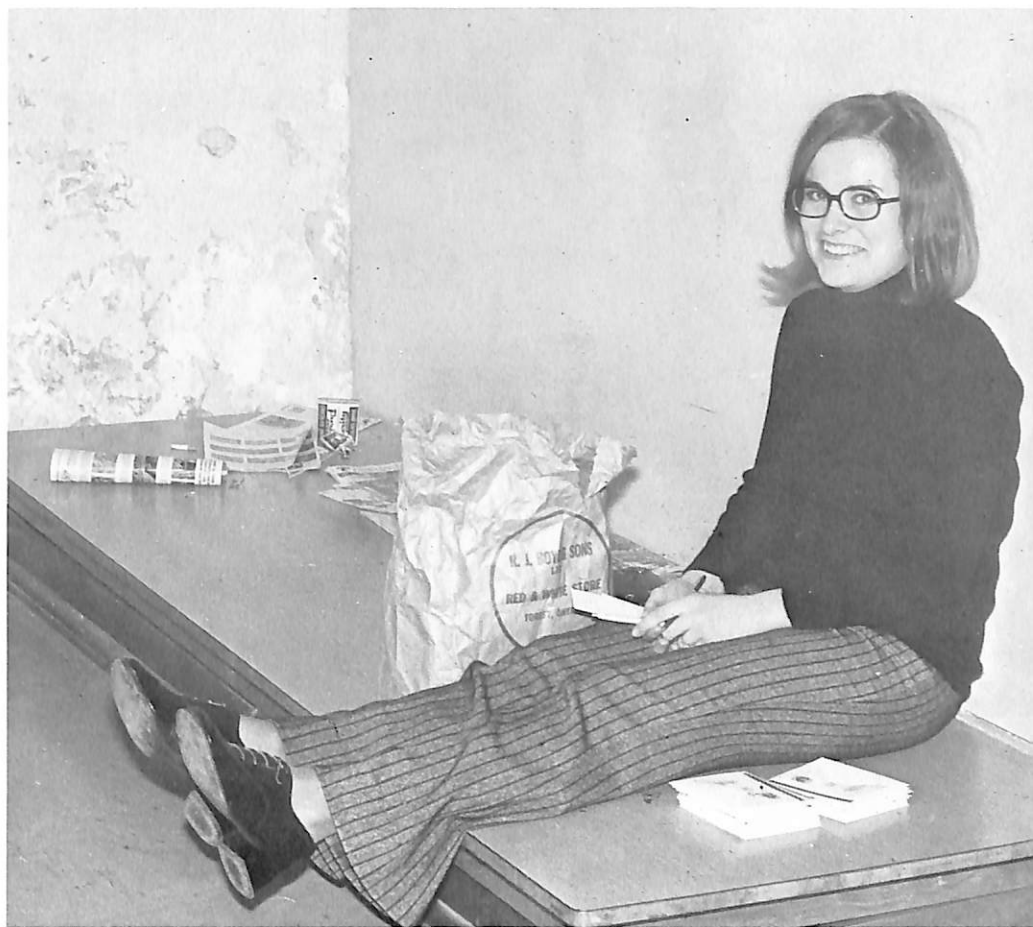

FACULTY

PRINCIPAL, FREDERICK W. SAVAGE

The 1970-71 school year has been a busy one for all of us at N.L.S.S. Our school is packed with students until it is bulging at the seams and we are patiently waiting for the start of the new addition. I must commend our students for their very cooperative attitude in all our school matters particularly the overcrowded situation.

The Yearbook staff have asked the question of me "What do you consider a secondary school's prime obligation to the student?" The prime obligation is to provide the best possible education for the individual, a competent staff of teachers and a pleasant learning situation. All of these are at N.L.S.S. along with a deep interest in the individual. Our community expects to find our students readily adaptable to society because they have acquired at school a set of values of human life where they can live with their fellow-man and make a contribution to our way of life.

Perhaps I might close with a mention of one of our highlights "the Cart-a-thon" in support of the Canadian Arthritic Society. The tremendous good-will and enthusiasm of our students earned \$3,000 for their adopted service project. It was a thrill to work with our students especially in the midst of such enthusiasm.

Best wishes

Frederick W. Savage
Principal

VICE-PRINCIPAL, W.S. EVANS

WHAT DO YOU CONSIDER ARE THE STUDENT'S RESPONSIBILITIES TO THE SCHOOL?

What do I consider are the student's responsibilities to the School? Well first of all I remember some passages from the Department of Education Act on regulations and find I must quote a few to answer the question asked.

(a) A pupil is responsible "to attend classes punctually and regularly."

(b) A pupil is responsible to "be neat and clean in his person and habits, diligent in his studies, courteous to his fellow pupils and obedient and respectful to the teachers".

(c) After an absence a student is responsible for "a written reason for the absence signed by the parent."

(d) Every pupil is responsible to the Principal for his conduct on the school premises or while travelling on a school bus owned by or under contract to the school board."

To these responsibilities already stated I would add a few more such as the student's responsibility to take the proper books and necessary equipment for each class; to go to lockers only at the proper times and to be sure lockers are properly locked at all times.

Finally with the advent of individual timetables the student should place more emphasis on these responsibilities.

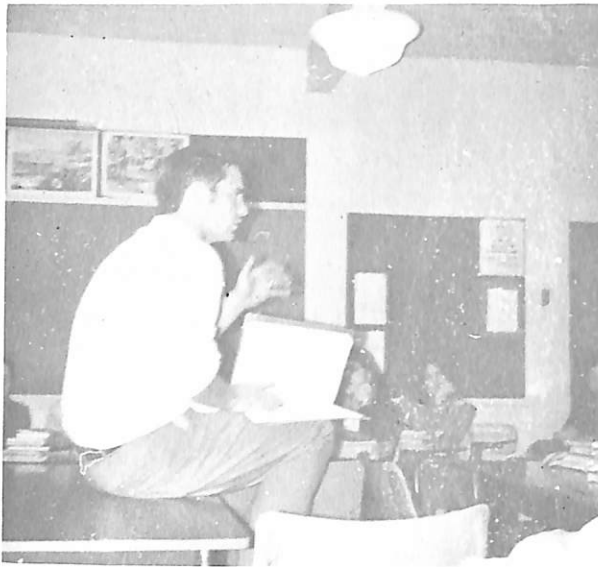

HOW DO YOU CONSIDER THE STUDENTS ARE FULFILLING THESE?

The majority of our students do carry out their responsibilities but I must admit there are from twenty-five to fifty who do not co-operate as they should.

WHAT DO YOU CONSIDER THE HIGHLIGHT (S) OF THIS SCHOOL YEAR?

The highlight of the school year, for me, was the Winter Weekend which was made a success by the tremendous co-operation of both staff and students. The highlight of the weekend was the rapt attention given to the trio of Mrs. Barker, Mr. Godbolt and Mr. Soehner as they made their contribution to the variety show on the Friday night.

NORTH LAMBTON'S GRANDE PRIX

Saturday, October 24, well over a hundred students took part in Forest's first Grande Prix. Money raised from this was used to buy T.V. sets and Christmas presents for arthritic victims in the area.

A dance Friday night started the weekend's events. At 11:30, the next morning 22 go-carts assembled at the railway station and paraded to the arena. At noon the race was on. After a fun-filled day the winning team under Leo Wouters finished its 75th lap at 4:45 p.m.

The money raised at the "Grande Prix" bought gifts that went to Westminister Hospital. Along with Christmas presents for each of the 21 patients in the ward, were two colour television sets, valued at \$1,250 each. After buying the gifts there was still over \$1,000.00 left for research.

ORGANIZATIONS

STUDENT COUNCIL EXECUTIVE

The past year has been one of great activity at the North Lambton Secondary School. It has been a year in which students and staff have made the most of the cramped conditions that exist at the school, so much so that conditions have become almost bearable.

Since the introduction of the new constitution initiated in September, there has been a much closer relationship between council members and students. The students have taken on more responsibility in executing their desires and the council has taken the role of an advisory body rather than a dictating body. This was shown by the tremendous participation which was received in this year's service project for the Arthritic Society, a project which clearly indicated to the people of our community that the students of N.L.S.S. do care.

The barriers between administration and students are also a thing of the past as was illustrated with the easing of the Dress Code, a subject which has been under controversy for some years.

In the years to come, it is my hope that the students will continue to have a voice in their own affairs and education through the S.A.C. and this will surely be the case if the council members, students, staff advisors, staff and administration continue to work together as they have in the past year.

INTER SCHOOL CHRISTIAN FELLOWSHIP

The I.S.C.F. has been one of the most active clubs in N.L.S.S. Weekly meetings, panel discussions, guest speakers, special music and youth rallies are all part of its busy schedule. A float entered in the Forest Fair portrayed the theme "Jesus, Our Bridge Over Troubled Waters".

Again in the spring there will be a school assembly and youth rally as in the fall. The assembly will be conducted by youth evangelist Bernie Smith.

The I.S.C.F. members believe that they have the answer to the searching of today's young generation. This answer is Jesus Christ.

This club is constantly on the move, telling others that He will answer their every question.

1970-71 is the year of the big change for North Lambton Secondary School Athletics. No longer does Forest compete in the Lambton Middlesex Conference against Parkhill and Glencoe. We find ourselves competing in the Lambton County Secondary School Athletic Association which is comprised of the following schools: Northern, St. Clair, Forest, Scits, Watford, Central, Alexander MacKenzie, Petrolia and St. Patricks.

The competition is very keen and much to our delight both boys and girls teams are doing very well.

YEARBOOK

BOTTOM ROW: Becky Brandon, Gwen Somes, Nancy Field, Linda Fraleigh, Wendy Brandon, Diana Clark. TOP ROW: Don McCahill, Mr. Newell (Staff Advisor), Robert Dollar.

"Aurea Vincula" has been an experience for me and my staff. It has been the experience of collecting all the trivia and events that were last year—a year of no bands, no custodians, iced-hill climbs and marks like other years. I hope that it recalls the memory and the mood of this past school year at N.L.S.S.

I would like to extend my sincere thanks to the many people who helped either directly or indirectly with this yearbook. I hope we have used to some degree of success some of the ideas presented at the Summer Yearbook Workshop.

I would also like to thank Mr. Godbolt and his Year III Marketing Class who contributed by selling advertising which paid for a major part of the total cost.

To Mr. Newell and all the other staff who were involved, I extend thanks for their guidance and moral support which was greatly needed during all the minor crisis which appeared.

My special thanks goes to all the members of the Yearbook staff, the many photographers and my faithful typist.

We hope that Aurea Vincula will preserve a special meaning, a special mood which no other year has ever had or will ever have for you or for us.

Nancy Field
Editor

Time it was,
And what a time it was,

It was . . .
A time of innocence
A time of confidences,
Long Ago . . .
it must be . . .

I have a photograph,
Preserve your memories.
They're all that's left of you.
